Erin

Pending Titan legal approval of EPA proposed activities, I will be on site Monday afternoon till you finish the proposed work

Brian Mills will open the gates on Monday and I can do that the rest of the week.

There is a Holiday Inn one block from the Dico site, it is brand new and very clean so your contractors can stay there (5 minutes away)

I will await Mr Troyanovich response and authorization

Mike, EPA and the START contractors plan to perform the field work at the Des Moines TCE Superfund site the week of June 6th, with a tentative end date of June 11th. We anticipate being on site around noon on June 6th. The following days we plan to start at 7 am. Can you please arrange for to have access to the site and buildings during these dates and times?

If you have any questions, please give me a call. Thanks!
